

# *The Spirit*

Hope Lutheran Church plays a vital role in the life of our community. We open our doors each night during the school year to sports teams: volleyball and basketball, those coaches' mentor young people in being healthy people.

During the day and in the summer, Hope's halls ring with the laughter of children, in Hope's preschool and summer camp. Hope preschool kids learn about faith during weekly chapel and in the prayers, they sing before meals.

Narcotics Anonymous finds a safe place here. We are thankful to provide a space where challenges are shared and where a community of support is built.

This spring, a new projector was added to the gym space and our Facility Use team met to update our fees. We would love to rent the gym more frequently on Saturdays and Sundays afternoons and evenings.

We invite you to remember Hope's space as a great place to hold an event. We invite you to recommend Hope's spaces to friends and neighbors so Hope can continue to expand Hope's community impact.

The church office can provide the specific fees and Sue; Hope's office administrator is the contact person for rentals.

Hope's property is a place where we come to worship, pray, and support one another in community. We appreciate the love of God that we have experienced within the buildings' walls. Let us continue to care, prepare, and share the love of God with the communities around us.

Peace, Pastor Amy
